TIERED FUNDING PROGRAM

Overview

The Tiered Funding program acknowledges clubs that are compliant with AUSA requirements by providing a predetermined funding amount based on membership numbers registered on the AUSA website on set dates throughout the year. Money will be deposited directly into the club's bank account. This funding program is separate from the existing AUSA Grant Program, and clubs are strongly encouraged to continue to apply for grant funding.

How does it work?

1. Club compliance and membership numbers will be assessed on **November 16, 2026**
2. AUSA will arrange for the funding to be deposited directly into the club's bank account.

Funding levels

Members	Funding
Less than 10	$ -
10 - 99	$ 200.00
100 - 149	$ 400.00
150 +	$ 500.00

What can this money be spent on?

This money can be used as seed funding for fundraising events, for small events, catering, to go towards your club's core business and projects, or to purchase equipment or marketing materials for the club.

Please note: The AUSA Clubs program is supported by funding received from the University in their collection of the Student Services and Amenities Fees (SSAF) In accordance with SSAF Guidelines, this money may not be spent on alcohol or be used to fund or support a political party or the election of a person as a member of a political party at any level of government.

See Student Services, Amenities, Representation and Advocacy Guidelines for more information: www.education.gov.au/higher-education-loan-program/approved-hep-information/student-services-and-amenities-fee

Conditions of Funding

To receive funding, the club must meet AUSA requirements, which are as follows:

a. Have a minimum of 10 Adelaide University students registered on the AUSA website as members
b. Have a minimum 70% majority of members as current Adelaide University students
c. Completed and submitted Annual General Meeting minutes
d. Have held an election to fill the minimum roles of president, treasurer and secretary at the AGM
e. Completed and submitted an AUSA registration Agreement
f. Completed and submitted an executive committee contact list
g. Have a constitution that align with AUSA requirements
h. Have provided AUSA with the details of your club bank account

Terms and Conditions

1. Membership and compliance may be assessed at any given time on the listed dates. Funding will be distributed as per the assessment at that time, and changes to membership numbers or compliance after this time will not be considered until the next funding date.
2. If a club becomes non-compliant after the assessment date, it will not lose or be required to return money previously received through the program.
3. Receipt of funding from this program will have no bearing on funding from the AUSA Grant Program.
4. This program has limited funding based on projected club membership and compliance in 2026. If funding required exceeds the limit of the program, amounts may be adjusted to ensure all eligible clubs receive funding.
5. This program will be reviewed from time to time, and the conditions of funding may be amended at the discretion of AUSA.
6. Funding will be deposited in the AUSA club bank accounts only. Deposits will be made within 10 business days of assessment.
